FOUNDATIONS OF FRENCH, ARRANGED FOR BEGINNERS IN PREPARATORY SCHOOLS AND COLLEGES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Foundations of French, Arranged for Beginners in Preparatory Schools and Colleges A Large part of our American youth do not begin the study of French until the later years of a high school or preparatory course, and a considerable number not until the freshman year in college or scientific school. Their main object is to gain a reading knowledge of the language. A method adapted to such pupils should take into account the attainments they have already made and the limitations of time under which a crowded curriculum places them. This book has been prepared with the needs of these maturer students constantly in mind. The authors have endeavored to solve some of the problems with which they are confronted in the midst of their daily work with such pupils. A satisfactory solution has been sought by presenting and illustrating so much of the grammar, and only so much, as is essential to a complete reading mastery of French. In the method of presentation, practical class-room considerations have everywhere been kept uppermost. The material is so arranged and condensed that it can be covered in from forty to sixty hours and allow the use of an easy reader at the same time. A few special features deserve notice: - (a) Unity and system are obtained by keeping the lessons in natural relations around a common topic, such as verbs, pronouns, etc. (b) The principles laid down are illustrated by carefully chosen examples.
