AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Ghana: Conversation Development is a book about the cry, frustrations, and aspirations of the good people of Ghana. It nourishes, refreshes and equips the political and economic mindsets of the Ghanaian people and attempts to serve as a channel of communication to the new President and his administration after December 2008 General Elections. Many issues have been discussed including social, political and economic issues. Can the Ghana oil of commercial quantity find at the Cape Three Points in the Western Region be a blessing or a curse? The book\* is not just a must read, it is entirely pleasurable and the commentaries are well written. It contains great human insight interwoven into the twists and turns of the dreams of the loving people of Ghana. I deemed this necessary believing that the new President and his administration, our traditional rulers, policy makers, schools, colleges and students in higher academic learning would make optimum use of it. Read the materials thoroughly,...
