Prentice Hall (a Pearson Education Company), United Kingdom, 1997. Paperback. Book Condition: New. Reprint. 203 x 135 mm. Language: English . Brand New Book. Stones from the River is a daring, dramatic and complex novel of life in Germany. It is set in Burgdorf, a small fictional German town, between 1915 and 1951. The protagonist is Trudi Montag, a Zwerg -- the German word for dwarf woman. As a dwarf she is set apart, the outsider whose physical otherness has a corollary in her refusal to be a part of Burgdorf s silent complicity during and after World War II. Trudi establishes her status and power, not through beauty, marriage, or motherhood, but rather as the town s librarian and relentless collector of stories. Through Trudi s unblinking eyes, we witness the growing impact of Nazism on the ordinary townsfolk of Burgdorf as they are thrust on to a larger moral stage and forced to make choices that will forever mark their lives. Stones from the River is a story of secrets, parceled out masterfully by Trudi -- and by Ursula Hegi -- as they reveal the truth about living through unspeakable times.
