Brand New Book ***** Print on Demand *****.The Sacred-Driven Couple, is a Christian-centered approach designed to help couples who desire more from their relationships. Using the Holy Bible, the author offers spiritual tools for sharpening and enriching relationship skills. The author spells out 12 Acknowledgements that every couple pursuing sacredness in their relationship should incorporate into their everyday lives. It helps individuals to rediscover and deepen the spiritual persons inside themselves. With over four million people getting married each year in this country alone, and over half of those ending in divorce before the 7-year point, there is a need to go back basics. He describes spiritual intimacy and tells you how to acquire that level of oneness in your own relationships. After reading this book and implementing the basic plan it describes, you too will say: You are not living until you are sacred-driven! Using the colorful illustrations of the caterpillar s development into a butterfly, the author correlates those...
