

Education for Social Work (Classic Reprint) (Paperback)

Filesize: 6.97 MB

Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Education for Social Work The unusual demand for social workers during the past few years, together with the increasing recognition of the importance of professional standards in social work, has directed attention to the necessity for more widely extended training facilities, that would be easily accessible to workers in all sections of the country. The need for workers during the war was met by the establishment of emergency training courses usually under the auspices of departments of sociology in colleges and universities. In a number of instances these brief training courses have developed into a more extended program of training for social work, which is gradually taking its place as a permanent feature of the university curriculum. This new development in the field of training for social work inevitably called into question the adequacy of prevailing standards and methods of training and at the same time aroused serious doubts as to the advisability of bringing professional training under the control of university leadership. The fundamental question at issue was whether professional education is a professional or educational matter. Other professions have faced this same issue and their attitude toward it has largely determined their degree of success in attaining adequate standards of training. It is to throw light on this problem in the field of social work that this study was undertaken. And however inadequate the discussion may be from other points of view, its main purpose will have been achieved if it helps to bring about a growing recognition of the scientific basis upon which the structure of social work must be built. This study was undertaken by the writer during his period of...
