*Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.*

After recovering from culture shock, Ali makes friends with an international band of nannies, falls in love with the produce boy at the grocery store, and travels to France on a dream vacation turned nightmare, where she cheats on the only boyfriend she's ever had with a rich college boy from England. In order to impress her rich college boy, Ali steals from her employers, lies to her friends, and gets caught breaking and entering while wearing a \$7000 dress, only to discover that it was all for naught. Disillusioned and distraught, Ali must redeem herself before her summer in Belgium is over.
