

Will to Live: A Noble Cause (Paperback)

Filesize: 6.08 MB

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Words do matter, regardless of what some folks may want us to believe. After all, the Scriptures tell us that God created the world with the power of spoken words. As human, we often under-estimate the power of words, especially those with the possibility of bringing into existence that which otherwise would not be, or to reinforce destiny. That was how the biggest movement of change in recent history gained the kind of momentum required to turn the son of a single mother into the President of the United States of America. In other words, we can become a summation of our thought processes and a product of the words we speak. However, words without deeds cannot just be enough; because actions speak louder than words in most cases. For me and my two flatmates Robyn and Gabriel from Oregon and New York respectively, it was not just an exchange of opinions, but also our own opportunity to put the debates into perspective, and to ultimately contribute in shaping that historical event, even though we had been thousands of miles from the U.S. As we analysed the prospects of the candidates, Robyn believed that Hilary Clinton would be the next president, whilst Gabriel on the other hand was rooting for John McCain. To my knowledge, there was something about that moment in history which suggested that although Americans were looking for change, the kind of change they wanted was the kind which should usher in an Obama Presidency on that occasion. Tell you what?.Barack will win. Actually, when I m in New York this summer, I hope to meet him, I found myself...
