

Agents of Influence

By Choate, Pat

Paperback. Book Condition: New. Ships From Canada. New. No dust jacket as issued. Trade paperback (US). Glued binding. 336 p. Audience: General/trade. From Library Journal This is a highly sensationalized, even xenophobic, treatment of an important contemporary topic, namely the lobbying practices of foreign governments in Washington and the influence-peddling by former American officials. Instead of focusing on the problem itself, however, Choate, the author of *The High-Flex Society* (LJ 9/15/86) and a popular writer on economic subjects, chooses to concentrate solely on Japan. The result is a book that emphasizes negative feelings toward a major economic competitor rather than addressing the need for reform of the lobbying system. Although this book will be highly publicized, it cannot be recommended as a balanced treatment of its subject. BOMC alternate. -Scott Wright, Univ. of St. Thomas, St. Paul, Minn. Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

-- **Lexie Paucek PhD**

A must buy book if you need to adding benefit. It can be rally exciting through reading time. I am pleased to let you know that this is the greatest publication we have read through during my very own life and may be he best publication for possibly.
