CAT OF NINE TALES (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you ever wonder what is going on in the mind of your cat and why they act so prissy and aloft? Cat of Nine Tales explores the world from the eyes and mind of a young female kitty named Faliene that will give you a humorous view of the world with cat eyes. This is an anthology of nine individual short stories where Faliene s world is explained, beginning with a glimpse into her nocturnal mating rituals. The first story about Faliene is filled with male cats that somehow, all seemed to be named Tom. The second kitty-tale delves into abandonment issues, as well as providing a glimpse into cat realities concerning the litter box. Additional tales are presented from other perspectives, such as Randy the Squirrel s narrative about the day Faliene almost ate him and a discourse between the family dogs that are buffaloed with fear when Faliene blocks their way out into the back yard. This story was told to I. M. Telling by his pet cat Tom. After years of lying around getting fat, Tom decided to use his human s computer to record some of the events revolving around his lady-cat friend s life. I. M. Telling decided he should share it.
