Ember, United States, 2012. Paperback. Book Condition: New. Reprint. 206 x 140 mm. Language: English . Brand New Book. In the city that never sleeps, Lorraine Dyer is wide awake. Ever since she exposed Clara Knowles for the tramp she was and lost her closest confidante in the process Lorraine has spent every second scheming to make her selfish, lovesick ex-best friend pay for what she did. No one crosses Lorraine. Not even Gloria. True love conquers everything or so Gloria Carmody crazily believed. She and Jerome Johnson can barely scrape together cash for their rent, let alone have a moment to whisper sweet nothings in the dark. And if they thought escaping Chicago meant they d get away with murder . . . they were dead wrong. Clara was sure that once handsome, charming Marcus Eastman discovered her shameful secret, he d drop her like a bad habit. Instead, he swept her off her feet and whisked her away to New York. Being with Marcus is a breath of fresh air and a chance for Clara to leave her wild flapper ways firmly in the past. Except the dazzling parties and bright lights won t stop whispering her name. . . .
