HarperOne. 1 Cloth(s), 2013. hard. Book Condition: New. Hailed by The New Yorker as "one of the most influential Christian leaders in the country," Rob Bell does for the concept of God what he did for the afterlife in the bestseller *Love Wins*, showing how our increasingly dysfunctional view of scripture and our everyday lives can be revitalized. Using wry anecdotes and wearing his erudition lightly, Bell ponders why the faithful and nonbelievers alike resist talking about God, and explains how we can reconnect with the God who is pulling us forward into a better future."With a smattering of pop culture references and bits of humor, Bell makes an argument that will appeal to believers looking for more rational conversations about God. Bell's fans will find much to ponder and enjoy."Library Journal"Behind Bell's easy-to-read approach is a deeper sensibility, a heavier theological hand, than in any of Bell's previous works. This book will be a welcome breath of fresh air in a spiritual haze."Publishers Weekly 226.
