

## Shadow Mothers: Nannies, Au Pairs, and the Micropolitics of Mothering (Paperback)

By Cameron Lynne MacDonald

University of California Press, United States, 2011. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. Shadow Mothers shines new light on an aspect of contemporary motherhood often hidden from view: the need for paid childcare by women returning to the workforce, and the complex bonds mothers forge with the shadow mothers they hire. Cameron Lynne Macdonald illuminates both sides of an unequal and complicated relationship. Based on in-depth interviews with professional women and childcare providers - immigrant and American-born nannies as well as European au pairs - Shadow Mothers locates the roots of individual skirmishes between mothers and their childcare providers in broader cultural and social tensions. Macdonald argues that these conflicts arise from unrealistic ideals about mothering and inflexible career paths and work schedules, as well as from the devaluation of paid care work.

### Reviews

*Thorough guide for pdf enthusiasts. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way which is only soon after i finished reading through this pdf by which really altered me, change the way i believe.*

-- **Dr. Rowena Wiegand**

*Absolutely essential go through ebook. It typically does not cost a lot of. I realized this publication from my i and dad encouraged this publication to discover.*
