BRAND NEW, The Nuts and Bolts of Church Planting: A Guide for Starting Any Kind of Church, Aubrey Malphurs, Most books on church planting offer a model for churches to replicate--usually one that is tied to a particular style, generation, or demographic. But what churches really need is a process that is flexible, not bound to a particular time or current fad. In The Nuts and Bolts of Church Planting, trusted author and church-planting expert Aubrey Malphurs shares the basic steps any church planter will need, regardless of his or her generation now or in the future. These steps include: establishing values, mission, vision, and strategy; reaching the community; making disciples; recruiting a team; determining location and facilities; and raising money for the ministry. With instant practical takeaway based on proven techniques, this book will be invaluable to any church planter.
