### ***Reviews***

*An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Xulon Press, United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Facing the Music is a book about worship leading. But it is also a book about much more than just the act of leading or the theory of leadership. It dives deep into the calling, spirit and motivation of the worship leader. It invites us to move beyond singing the song and towards becoming the song. It speaks of worship not as something we do, but rather something we are. It celebrates a lifestyle of worship and leads us to a level of transparency and intimacy before Jesus Christ. Facing the Music may challenge your preconceptions about worship leading-it may make you uncomfortable about some things. But in the end, the call, as A.W. Tozer once said, to Take worship out of the hands of man and place it in the hands of God where it belongs, rings loud and clear throughout its passages. Dr. Robert Dusek is the Worship and Arts Pastor at Centerpoint Community Church in Arvada, Colorado. Prior to being called to the ministry, Dr. Dusek toured as a concert pianist and had several of his compositions and performances published and recorded. His passion now is for a rebirth of authenticity and transparency in the worship of God, and to that end he has worked with and coached several Denver area praise teams and has been a proponent of multi-church praise and worship gatherings. Robert lives at home with his wife whom he loves and his dog whom he tolerates.
