WILLARD FISKE AND ICELANDIC BIBLIOGRAPHY BY HALLDOR HERMANNSSON About 1840 some interest was awakened in this country in the Old Icelandic literature in connection with Professor Rafns publication of the sources on the discovery of the American Continent by the Norsemen; this will be seen from several articles and reviews which at that time appeared in various American periodicals. With most people the curiosity stopped at that. But there was at least one man who carried farther his interest in the languages and the literatures of the North. This was George Perkins Marsh, who made quite a notable collection of books in that field and from whose active pen there came in 1838 a translation of Rasks Icelandic grammar, a most useful work at that time, and one which had considerable influence upon the career of a young student in Hamilton College, Daniel Willard Fiske....
