He's a rich kid from across the bridge in Stony Bay, and she hails from a family of fishermen and housecleaners to her island's summer population. Gwen dreams of getting off the island, and a summer job working for one of the elderly residents might just be her ticket to the good life. But what will it mean for Gwen's now life? Sparks fly and secret histories unspool as Gwen spends a gorgeous, restless summer struggling to come to terms with what she thought was true--about the place she lives, the people she loves, and even herself--and figure out what really is.
