Walking through the streets of York several years ago, I was welcomed by a fierce-looking crowd of Vikings running towards me. In my case, though, the horde was just a group of actors commemorating regional history. At the end of the 8th century, Scandinavian Viking armies conquered different territories in Europe. England was attacked by Danish Vikings starting in the 780s . After several years of mere raiding, 851 marked their first stay during winter. The Danish conquests developed into a permanent settlement in...
