

The Conservative Holiness Movement: A Historical Appraisal (Paperback)

Filesize: 2.19 MB

Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

(Dr. Willis Walter)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This booklet presents a germinal essay on the formation of the Conservative Holiness Movement, providing a broad overview from its early twentieth-century roots in the radical Holiness tradition fostered by such visionaries as Martin Wells Knapp and Seth Cook Rees to the development of self-identified conservative dissenting fellowships that coalesced under the leadership of ministers like H. E. Schmul and Glenn Griffith during mid-twentieth century. It brings into focus the underlying rationale of the conservative position which perceived the quest for upward social mobility (embourgeoisement) as a three-prong threat-a nefarious spiritual trident endangering the Holiness people's beloved ship of Zion. It further documents how the radical response to this challenge led to a shift in the primary rationale for Holiness ethics throughout much of the Wesleyan-Holiness tradition. An Afterword shares additional reflections refined in light of continued research into the movement's history.
