Original publisher: Maxwell Air Force Base, Ala. : Air University Press, 2004 OCLC Number: (OCoLC)54859155 Subject: Aerial reconnaissance -- United States -- History. Excerpt: . . . Reconnaissance Wing, the 38th Strategic Reconnaissance Squadron, and the 343d Strategic Reconnaissance Squadron. Farquhar, inspired my love for military history, taught me to strive for excellence, and backed my dreams for a military career. My in-laws, Joan and Joe Beeber, helped me maintain an even perspective and balance the demands of family life. My late grandfather, Mr. John Micu, always supported my efforts and shared his wisdom. Thanks also go to my children, Johnny, Kirsten, and Luke, whose joy and laughter kept this work in its proper place. My beloved wife Millie provided me the love and understanding each day that made this effort worthwhile. She supported my research efforts and time away from family. She also spurred me to take up the challenge of revising a 10-year-old project...
