When we saw so many cities and villages built in the water and other great towns on dry land. we were amazed and said that it was like the enchantments they tell of in the legend of Amadis, on account of the great towers and buildings rising from the water and all built of masonry. And some of our soldiers even asked whether the things that we saw were not a dream. I do not know how to describe it, seeing things as we did that had never been heard of or seen before, not even dreamed about. - Bernal Diaz del Castillo Mexico City is now easily the largest city in the Western Hemisphere, trailing only Tokyo internationally, but unlike the other great cities of the Americas, Mexico City is not a new place. Mexico City instead has much in common with cities like London, Delhi or Cairo in the East in that it is an ancient city dating back centuries before the arrival of Columbus in Hispanola. For, while much (including the name) has changed, Mexico City is the mighty Tenochtitlan, capital of the Aztec Empire and the great American metropolis of the Spanish Empire. There has been no break in occupation, and despite much devastation in the Conquest, the city was never fully destroyed. Indeed, from the moment Spanish conquistador Hernan Cortes first...
