Holt McDougal. Hardcover. Book Condition: New. 0547476884 Brand new. The TN Teacher's Edition is similar to the national TE, with an additional 71 page insert with extra material for Tennessee educators. But since TN is not a Common Core state, while the content is similar, there is extra material throughout the book, curriculum correlations, test prep, etc. So the chapter titles differ from the CC edition, (though all the material is there), and the pagination is very different. Includes many of the answers to questions in the student text.
