The author believes that the ultimate essence and purpose of all religions is - Universal love, brotherhood and Global family - as the way of life. The author regrets for people constructing bee-hive like compartments in their hearts, minds with dividing walls. She calls to abandon brutality and promote universal love, brotherhood, humanism the true religion. She pleads all to introspect more by heightening one s inner spirit. She believes that the discourses of all treasured religious scriptures and preachings of all preceptors is to accord guidance to human civilization for peaceful co-existence.
