Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

(Kitty Crooks)

ARLINGTON NATIONAL CEMETERY: ADDITIONAL ACTIONS NEEDED TO CONTINUE IMPROVEMENTS IN CONTRACT MANAGEMENT: GAO-12-99

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 44 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Roughly 35 million was obligated under 56 Arlington contracts and task orders valued over 100, 000 and active during fiscal years 2010 and 2011. These contracts supported cemetery operations, construction and facility maintenance, and new efforts to enhance information technology systems for the automation of burial operations. ANCP does not award its own contracts, but instead obtains contracting support in two different ways. Thirty-five contracts in GAOs review were awarded by three contracting organizations that directly supported ANCP. For the remaining 21 contracts and task orders, ANCP partnered with other Army organizations with expertise in areas such as information technology and construction. Those organizations, in turn, used contracting offices to support Arlington needs. Many of the contracts GAO reviewed have now ended, while those still ongoing may continue through fiscal years 2012-2014, depending on ANCP needs. While ANCP has taken steps to improve visibility of contracts and financial management capabilities more broadly, it does not currently maintain complete data to identify and track contracts supporting its operations. Without such data, ANCP may continue to face difficulties in ensuring the effective management and oversight of its contracts and related funding. This item ships from La Vergne, TN. Paperback.
