Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Ideal Mother s day gift. Written for my grandchildren, Sixties kids is easy to read, but also suitable for yesterdays women and men of that exciting time in history. A personal memoir of a sixties childhood in swinging sixties Britain, with memories of childhood and family relationships, country school life, and games played at home and at school. The author tells of the family activities, the sixties toys of the day, sixties fashion, and of the music, and childhood activities played with her friends in the small village where she was born and grew up. Sixties kids, recalls a childhood memoir of her growing up Tomboy years when most of her friends were girly and played with dolls and prams, she preferred the rough and tumble play and adventures. A family and childhood look at the sixties of bygone years when children had more freedom and came to no harm in the small towns and villages of country life in Britain where you could leave your door open all day and night. From child to teenager, it is full of fun and adventure, a must for anyone who enjoys sixties nostalgia and a peek down memory lane at children and women of the sixties. Packed with children s adventures and school life stories, a blast from the past for those who grew up in the sixties and girls and boys from the present. (Ideal as a school study education book 4th-6th grade, 9-12 year old primary school book.).
