## Reviews

It is really an remarkable ebook that I actually have ever study. It is actually loaded with knowledge and wisdom You will not truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me). (Mr. Norval Reilly V)

## ALBERT EINSTEIN

Penguin Books Australia. Paperback. Book Condition: new. BRAND NEW, Albert Einstein, Kathleen Krull, "Another standout in a uniformly stellar series." --"Kirkus Reviews," starred review "[An] engrossing and remarkably accessible biography." --"The Horn Book" Albert Einstein. His name has become a synonym for genius. His wild case of bedhead and playful sense of humor made him a media superstar--the first, maybe only, scientist-celebrity. He wasn't much for lab work; in fact he had a tendency to blow up experiments. What he liked to do was think, not in words but in "thought experiments." What was the result of all his thinking? Nothing less than the overturning of Newtonian physics. Once again, Kathleen Krull delivers a witty and astute look at one of the true Giants of Science and the turbulent times in which he lived.
