

Psychobiology, Vol. 1 (Classic Reprint) (Paperback)

By Knight Dunlap

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Psychobiology, Vol. 1 Psychobiology is established for the publication of research bearing on the interconnection of mental and physiological functions. It will include in its volumes therefore, not only investigations of what is sometimes called psychological physiology but also investigations in pharmacology, physiology, anatomy, neurology and psychiatry in so far as the results of these investigations have explicit bearing on problems of mental life, or mental factors are included in the essential conditions of the investigation. We would emphasize the fact that in spite of the increasing tendency in the several sciences represented, especially in psychology, to seek practical results, and formulate as quickly as possible conclusions having immediate application, it has been our purpose to establish another journal devoted to pure science, in which the ideals of those whose primary interests are in sound scientific progress shall be represented as fully as possible. In pursuance of this purpose, we urge contributors to pay attention to the details of method and technique which alone can give their conclusions value, and we set no arbitrary limit...

Reviews

Completely essential study ebook. This is for all those who statted there was not a well worth reading. I realized this book from my dad and i recommended this publication to find out.

-- Jarrell Kovacek

This composed pdf is excellent. We have go through and that i am certain that i am going to likely to read again once more down the road. I am just happy to explain how this is basically the very best publication i have go through within my own daily life and can be he best publication for actually.
