And if it isn't summer, but you are looking for an innovative approach to teaching values in your classroom, you have found the right place! Nicole Schmidt presents four volumes of textbooks and journals, each covering 10 different values, to suit classroom, homeschool, summer school and summer camp needs. With simple lessons, fun exercises and an illustrative short story at the end of each chapter, this series is a must for any classroom. This volume, the second in the journal series, covers the following values: charity, good sportsmanship, adventuresomeness, perseverance, consideration, optimism, cooperation, resourcefulness, entrepreneurship, and integrity. This journal is designed to be used with The Value Tree Summer School Textbook Volume II, sold separately. This Elementary Edition journal is appropriate for elementary and middle school students. For younger students, please use the Pre-K and Kindergarten Edition of the journal. For more information about the series and to read the blog, visit and.
