Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Communist Manifesto (De Luxe edition), Karl Marx, This is Marx and Engel's landmark treatise - in a graphic deluxe edition. One of the most important and influential political theories ever formulated, "The Communist Manifesto" is a revolutionary summons to the working class - an incisive account of a new theory of communism that would be brought about by a proletarian revolution. Arguing that increasing exploitation of industrial workers will eventually lead to a rebellion in which capitalism will be overthrown, Marx and Engels propose a vision of a society without classes, private property, or a state. The theoretical basis of political systems in Russia, China, Cuba, and Eastern Europe, "The Communist Manifesto" continues to influence and provoke debate on capitalism and class.
