Total Recall: In Total Recall, Sara Paretsky brings together several disparate plots in one gripping story. This powerfully suspenseful novel confronts the machinations of a vast and corrupt industry that trades on the victims of Nazi terrorism; the strange and dubious phenomenon of recovered memory; and a personal story that brings V. I. Warshawski into the long-buried past of her dearest friend and mentor, Dr. Lotty Herschel. Blacklist: Eager for something physical to do in the spirit-exhausting wake of 9/11, V. I. accepts a request from an old client to check up on an empty family mansion; subsequently surprises an intruder in the dark; and, giving chase, topples into a pond. Grasping for something to hold on to, her fingers close around a lifeless human hand. It is the body of a reporter who had been investigating events of forty-five years earlier, and V. I. s discovery quickly sucks her into the history of two great Chicago families. Fire Sale: V. I. Warshawski may have left her old South Chicago neighborhood, but she learns that she cannot escape it....
