Reviews

This published publication is wonderful. Of course, it is actually engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Vickie Wolff)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **The Edinburgh Review, Vol. 135: Or Critical Journal; For January, 1872;;; April, 1872 Art. I. - The Book of Ser Marco Polo, the Venetian. Newly translated and edited, with notes, by Colonel Henry Yule, C.B. Two volumes 8vo. London: 1871.** The publication of Colonel Yule s Marco Polo is an epoch in geographical literature. Never before, perhaps, did a book of travels appear under such exceptionally favourable auspices; an editor of a fine taste and ripe experience, and possessed with a passion for curious medieval research, having found a publisher willing to gratify that passion without stint on the score of expenditure; and the result being the production of a work which, in so far as it combines beauty of typography and wealth of illustration with a rich variety of recondite learning, may be regarded as a phenomenon in these days of thrifty and remunerative book-making. Nor is it a slight praise thus to pronounce Colonel Yule s edition to be a great success; for never, perhaps, has there been a more difficult book of the class to expound than Marco Polo s travels, since his great prototype, Herodotus, recited his history at Athens. Every page is a puzzle; every chapter contains strange names which it is hard to recognise, strange stories which it is harder still either to believe or to explain. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases,...
