MAKIN' MIRACLES

Kensington Publishing. Paperback / softback. Book Condition: new. BRAND NEW, Makin' Miracles, Lin Stepp, "A charming portrait of the Smokies, their people, and a wonderful way of life." --Deborah Smith, "New York Times " bestselling author Set in Tennessee's postcard-perfect Smoky Mountains, Lin Stepp's "Makin' Miracles "is an inspiring tale that reveals why love and forgiveness are most important just when they seem most impossible. . . Zola Devon has always been a little different. Half Tahitian, with long black hair and dark eyes, she's especially distinctive in the mountain town of Gatlinburg. She even stocks her gift shop, Nature's Corner, with items that reflect her island heritage and tantalize tourists. But it's her spot-on intuition that truly sets Zola apart. When she gets a hunch about a person, she's almost always right. And when the surly photographer who owns the gallery next door starts meddling in her business, she can only hope that, for once, her instincts are wrong. The one thing Spencer Jackson loves more than his camera is the majestic scenery of the Smoky Mountains. Reeling from his painful past, he's settled in a cabin in the woods to train his lens on the breathtaking landscape. A woman as uniquely beguiling as Zola could only throw his simple, uncomplicated days into chaos--and force him to lay bare his darkest secrets. But as their lives become unavoidably intertwined, they both may discover the beauty of the truth, and the joy of the unexpected. Praise for Lin Stepp and her Smoky Mountain Novels "I've finally come across someone that believes in all the things that I do. . .love, family, faith, intrigue, mystery, loyalty, romance, and a great love for our beloved Smoky Mountains." Dolly Parton "A wonderful, new Southern voice." --Joan Medlicott, author of the bestselling The Ladies...
