

Learn Sociology (Learn Series)

By Brent, Edward; Lewis, J. Scott

Jones & Bartlett Learning, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Learn Sociology creates a new paradigm for student-centered learning in introductory sociology courses. Written with 21st century students in mind, this text presents introductory sociology content in a highly interactive format that is both easy to use and highly compatible with digital applications. Drawing on best practices in educational pedagogy, Learn Sociology emphasizes "immersive learning," an approach that pairs critical analysis of sociological concepts with examples from everyday life to engage students actively with the material. Weaved through the text are recurring themes that put sociology into context, such as social structure, social control, social inequality, the social construction of reality, scientific knowledge, and social change. Learn Sociology optimizes learning through enhanced coverage, study, testing, and review while emphasizing the "applying" that reinforces comprehension. Based on a modular concept format, each chapter in Learn Sociology addresses a major concept in the introductory sociology curriculum. Associated with each module are key learning objectives, preview statements, illustrations, and a concept learning check assessment. With Learn Sociology, students have access to immediate computer-based feedback on essay questions that helps them practice writing and revising, reason...
